PRAYER SONG–1

1. There shall be showers of blessing:
This is the promise of love;
There shall be seasons refreshing,
Sent from the Saviour above.

Refrain:
Showers of blessing,
Showers of blessing we need:
Mercy-drops round us are falling,
But for the showers we plead.

2 . There shall be showers of blessing,
Precious reviving again;
Over the hills and the valleys,
Sound of abundance of rain.

3 There shall be showers of blessing:
Send them upon us, O Lord;
Grant to us now a refreshing,
Come and now honor Thy Word.

4 There shall be showers of blessing:
Oh, that today they might fall,
Now as to God we're confessing,
Now as on Jesus we call!

PRAYER SONG–2

We shall overcome,
We shall overcome,
We shall overcome, some day.
Oh, deep in my heart,
I do believe
We shall overcome, some day.
We'll walk hand in hand,
We'll walk hand in hand,
We'll walk hand in hand, some day.
Oh, deep in my heart,
We shall live in peace,
We shall live in peace,
We shall live in peace, some day.
Oh, deep in my heart,
We shall all be free,
We shall all be free,
We shall all be free, some day.
Oh, deep in my heart,
We are not afraid,
We are not afraid,
We are not afraid, TODAY
Oh, deep in my heart,

We shall overcome,
We shall overcome,
We shall overcome, some day.
Oh, deep in my heart,
I do believe
We shall overcome, some day

TIPS FOR STUDY

General Hints.

- Take up first the subject you dislike most,once you have done this the rest of your work will be easy.
- Do not hesitate to ask your teacher or your companions, things you do not grasp clearly. Never leave doubts unanswered as this will put you to great difficulties later.

- To be sure that you have understood something thoroughly use this trick.
- Pretend that you are explaining the lesson to another;see if you can do it well.
- Make yourself your own teacher and question yourself and answer honestly (don't cheat)
- Do not continue working when you are tired; walk round the garden or talk to a friend or have some other pleasant interruption, but only long enough to refresh you. Finish your lessons and don't waste time.
- Get enough exercise every day; it will keep the mind fresh.
- Do not cut down on necessary sleep in order to study; it will hurt you later on.
- Lastly pray often to the All-wise and All Knowing God to help you progress in your studies.

PARTICULAR HELPS

- Never omit the lesson or home-work assigned; if you do so it will be like missing a train that you can never catch afterwards.
- Always revise the work done in class, and make sure that you have understood everything clearly and thoroughly.
- If memory work is assigned, learn it overnight and repeat it in the morning.

- Always take down in your diary the work that is assigned for the next day.
- All homework should be done neatly and the day's work should always be dated. Each new homework should be done on a fresh page.
- As you grow up, make a daily time table for yourself for your study (the different subjects in the order of the most difficult one being first) for your rest, recreation etc. In these ways you will learn to be a person of regular habits, the most valuable asset in later life.

Dear Students

St. George School is your school. So feel at home and maintain perfect discipline in and outside the campus. Always remember to maintain cleanliness in your classroom.

Be careful to keep your uniforms, school bags, books, tiffin boxes etc. neat and tidy.

Students must reach the school before the first bell in the morning. Students are not allowed to enter the classroom other than their own. Students must show respect and love to wards their parents, teachers and staff members.

All students without exception are expected to take part in the educational tour and other cultural programmes arranged by the school
